Could you be a Foster Carer?
“If you’ve thought about becoming a Foster Carer, just do it. You’ll make a big change in a child’s life and they’ll make a big change in yours.” Jamaine Jones, Geelong Cats

From a foster child growing up, to now wearing no. 41 for the Geelong Cats, Jamaine Jones’ remarkable story shows the difference a loving home environment can make in a child’s life.

As a child, Jamaine’s birth parents were unable to care for him so he went to live in a group house for four years where he often felt alone. He says his life changed forever at age ten when his Foster Mum gave him a home and the support of a loving family. Jamaine is now living his dream of being an AFL footballer. “I can’t thank her enough for giving me a second chance at life because without her I wouldn’t be here doing what I am doing”.

Jamaine knows from personal experience, that every child deserves a safe and loving home and is calling for more people to consider becoming a Foster Carer with Barwon Child, Youth & Family.

There is currently an urgent shortage of Foster Carers in Geelong, Colac and the Surf Coast. To find out if Foster Care is for you please contact BCYF today.
